This permit becomes null and void unless a fire inspection is performed within six months from the date of issuance. The granting of a permit does not presume to give authority to violate or cancel the provisions of any law or ordinances regulating construction. No inspection will be performed unless this permit is displayed on the jobsite and the City approved plans are available to the inspector on the jobsite at the time of inspection. The applicant is responsible for all work done under this permit, and must follow all applicable codes. Paper plans must be folded.

BY CHECKING THIS BOX, I ACKNOWLEDGE AND UNDERSTAND THE REQUIREMENTS LISTED ABOVE.
